2017 MARE ADMISSION FORM **FOR ARTIFICIAL INSEMINATION / ET**

Admission date: _____

Name of Mare Owner: _____

Address of Owner: _____ Post code _____

Telephone Number: h) _____ w) _____

m) _____ fax) _____

Email address _____

Name of Mare: _____ Colour: _____

Year of birth: _____ Breed: _____

Mare status (please circle) maiden dry foal at foot

Stallion to be used: _____ fresh, chilled, frozen semen (please circle)

Semen supplier and contact number: _____

Usual diet: _____

I understand and accept the following:

- The mare will be placed in a crush for restraint during internal examinations. There is a small risk of injury, infertility or death that may arise from breeding procedures
- Reproductive hormones, sedatives and relaxants may be used at the vet's discretion
- The mare will be kept in an individual yard for the duration of her stay unless discussed otherwise.
- The agistment fee is \$35/ day inc GST for dry mares and \$40/ day for mares with foals at foot.
- Artificial breeding cycles are charged as follows-
 - Fresh/ chilled semen \$600 per cycle
 - Frozen semen \$700 per cycleNB. Cycle fees do not include semen collection or transportation costs

Unless otherwise authorised, all accounts must be paid in full prior to collection of the mare.
